

Children flourish if they feel safe, loved and cared for.

We are proud to offer an experienced, educated and dedicated staff at First Presbyterian Preschool. We have a low student-teacher ratio which allows for more individual instruction.

About Our Staff

Our staff undergo a national criminal background check and drug screening. Each teacher is CPR and First Aid trained and participates in annual professional development training.

Safety & Security

Our Preschool is locked during Preschool hours and the entrance is camera-monitored. We ID anyone who comes to pick up your child in your absence. We practice fire, tornado and lockdown drills for an unforeseen event.

“The teachers here at First Presbyterian Preschool are amazing! It was a pleasure to see my daughter grow over the past three years.”

- Mark (Parent)

Schedule a Tour

We offer you a warm invitation to visit us at First Presbyterian Preschool. We are convinced that once you see and feel the excitement of learning and the love of God, you will want to become a part of our Preschool family!

A place to
LEARN and **GROW**
and **SHARE** and
BE LOVED.

FIRST PRESBYTERIAN PRESCHOOL

249 W. McLelland Ave.
Mooresville, NC 28115
704-664-2701

A program designed to show God's love through learning and instruction.

First Presbyterian Preschool has been in operation since the 1960's. We have a dedicated staff with over 150 years of combined experience. Our goal is to provide a loving, safe environment in which every child has the opportunity to learn and succeed while being shown the love of God through our teachers and instruction.

Our Program

Our curriculum is designed to challenge and stimulate the children through hands-on learning. Children participate in Circle Time, Art, Science/Math Centers, Literacy, Letterland Curriculum, Fine Motor activities, Movement, Music and Sensory experiences.

Children in our program learn concepts such as: days of the week, calendar, sorting, patterning, rhyming, colors, shapes, numbers and letter/sound identification.

Early development is fundamental to the growth of your child.

Research supports that quality early childhood education is a critical part of a child's academic achievement, but also his or her social and emotional development.

Gain Independence

Becoming a big kid takes lots of practice! We support our children in this journey by teaching them how to follow directions, clean up, put on jackets, make good choices, how to use the potty, and many milestones in between.

Fellowship and Fun

At First Presbyterian Preschool, we want your children to be excited about learning! To facilitate that enthusiasm, we offer in-house field trips and special school-wide events.

Bring on the FUN

Here are just a few ways we incorporate in-house field trips and special events into our Program:

Farm Day with a petting zoo, Mooresville Fire Truck Visit, Christmas & Spring Sing Programs; Thanksgiving Feast, Pajama & Pancake Day, Easter Egg Hunts, Picnics, Cap & Gown Graduation and a visit from our Birthday Sweater that "magically" sings a personal message.

Children are so proud when they have accomplished a task by themselves and we are proud to celebrate with them!

Develop Socially & Emotionally

Social skills are just as important as learning the alphabet and numbers. Our teachers assist children on how to interact and play with one another, take turns, and how to use their words to solve a problem or express a need. Children also need comfort to feel emotionally secure. While at Preschool, we support children with separation from parents and building his or her self-confidence.

Flexible Schedules
